

Please Pray for Pakistan Earthquake Victims

11/4/05-Nasser (left) is 12 yrs. Old. He doesn't know where his father is or if he is alive. He knows that his mother is in a hospital in Lahore with his younger brother. Nasser is taking care of his grandfather and all of the family's livestock. He walks 3 hours everyday to get something to eat for his grandfather and him. He cooks for himself and his grandfather. While we were meeting him, he broke down crying (right). He doesn't want to leave his house because he believes that his father is somewhere under the rubble.

11/3/05—MSDEV distributed 300 blankets, food packages and coats went to Balakot (left) ...we distributed them that morning in school at our camp (right) and the next day in Sanghar and Ganul. Asif Jamshaid (MSDEV worker who lives in Pakistan) stands with a recipient of the coat distribution.

11/4/05-MSDEV distributed food and blankets in Ganul...the army helped us to distribute to the people standing in line.

11/4/05-Safina (left) lost her uncle and two brothers and she is not sure if her sister is alive because she was taken to hospital for serious injury...her father is with her....

11/4/05- This 3 and 1/2 yr old girl (right) was taking care of her 3 mo. old sister...mother is somewhere in makeshift hospital in Mansera...her father told her that her mother has gone to see her parents...

11/2/05-The woman (left) has a fractured leg from her house falling on her. She is at a makeshift hospital in Muree where MSDEV will send med teams to help.

11/3/05- The woman (right) holding child ...three of her children were killed and two adults in her family. The destroyed town of Balakot is in the valley behind her.
